Welcome to London

[ISKF UK](#) welcomes you to the long awaited 4th ISKF World Shoto Cup Championship. It was difficult to have to postpone the tournament that we had originally planned for 2020 – it was hard for all of us as we had to deal with new and unexpected circumstances, and the loss of friends and family during the pandemic affected deeply the entire ISKF community.

We hope that 2024 will be a year of hope and joy, and we are delighted to be able to host you in London - a fun, dynamic and multicultural city, ideally placed for hosting an international competition. London is proud of its diversity and inclusion, and the World Shoto Cup Championship will be the perfect opportunity to celebrate this diversity.

This competition will be an opportunity to celebrate all that is great about karate, reconnect with old friends from the ISKF community, meet new people from all over the world and demonstrate how years of hard training and perseverance come together in one perfect kata or a brilliant kumite strike.

The competition will take place on Saturday and Sunday (21st-22nd September). On Thursday 19th and Friday 20th September, we will host training seminars led by Hiroyoshi Okazaki Shihan. On Friday, the seminar will be followed by Dan examinations, and Referee and Judge training and examinations.

The Championship will take place at the University of East London, in the SportsDock of the University's Docklands campus which offers a state-of-the-art space for training and competition. To help you prepare for the Championship, we have included a lot of useful information in the brochure. Should you require any further information or assistance, please do not hesitate to contact the ISKF UK team at 2024WorldShotoCup@gmail.com or visit the Championship website www.2024worldshotocup.com.

We look forward to welcoming you in London for the 4th ISKF Shoto Cup Championship!

Good luck to all.

OSS,

Ahcene Moussaoui

Chief Instructor of ISKF UK

About our venue: The SportsDock, University of East London

The [SportsDock](#) is a state-of-the-art venue in the University of East London (University Way, London, E16 2RD). SportsDock is host to numerous local, national and international events. Since its opening, SportsDock has hosted Team USA for the London 2012 Olympics, British Fencing Junior World Cup, British Judo European championships, Basketball England National Finals, European and World Karate events and many more.

The SportsDock is a short distance from London City Airport, and is well connected to all other major travelling hubs. It is easily accessible from London city centre, where you can visit all of London's landmarks, museums and theatres, and enjoy food from all around the world.

The SportsDock is on the DLR (Docklands Light Railway) line, stop Gallions Reach, DLR station. For more information on how to travel within London visit:

<https://www.visitlondon.com/traveller-information?ref=nav>

The SportsDock is also a close distance from two other great areas in London. Stratford, the location of London 2012 Olympic and Paralympic games, and Canary Wharf, the financial centre of the city. Both areas are home to many amenities and offer visitors a variety of shops and restaurants.

Getting around London

Public transport in London is generally reliable and, most of the time, it is the fastest and cheapest way to get around the city. London's underground metro network is fondly known as the tube, but public transport also includes London Overground lines and Docklands Light Railway (DLR). You can find information on how to travel in London on the official [Transport for London](#) website, which also gives useful information on travel times.

You can map your journey and your visit using [Google maps](#), [City Mapper](#) or your preferred travel app. These apps generally give live updates on times and are a useful way to calculate the time to and from your location.

The cost of public transport is explained [here](#). Choose your best way of paying according to your travel needs.

[Uber](#) operates in London and can also be a good way to travel around. You can hail a black cab on the street (if the orange light is on) or book a black cab [here](#).

Traveling to and from the airport

Airport:	<p>London has five main airports: Heathrow, Gatwick, Stansted, Luton and City Airports.</p> <p>The most convenient airport to the venue (walking distance) is City Airport but please note that this airport only serves some European cities.</p> <p>If you are making a connection in a European capital from your home country, you may want to check for connecting flights to London City Airport.</p>
Public transport to and from the airport:	<p>If you are arriving into London Heathrow, check here for alternative routes to the venue. They involve a combination of tube and train, for a cost of around £6-14 per person, depending on the time of day. It takes around 1.5h-2h travel time.</p> <p>If you are arriving into London Gatwick, check here for alternatives. They involve a combination of train and tube and cost around £12.00-£20.00 per person (prices vary depending on the route and the time of the day). The journey takes around 1.5h.</p>

Selection of Championship Judges and Referees

We are expecting a large number of competitors for this event. In order for it to run smoothly and timely we will need as many ISKF Qualified Judges and Referees as possible.

Please encourage the Judges and Referees in your country to come to this ISKF World Shoto Cup and participate as Championship officials.

All Judges and Referees must wear grey pants, white long-sleeved shirt, maroon tie and navy blazer on both Saturday and Sunday.

To register as a Championship Judge or Referee, please complete the Google form here: <https://forms.gle/S6jmBoTHSBcr4tNh6>

THANK YOU.

**WE CAN'T WAIT TO WELCOME YOU IN LONDON
